Dear [redacted]

With respect to disbursements under Contract No. M-856, it is noted that as of 21 May 1956 you have vouchered for some \$19,693.23 leaving as of that date an outstanding amount of \$30,306.77.

Will you please estimate your expenditures and obligations under the Contract for the period through 30 June 1956 so that we may reduce the Contract amount to a figure which will cover your operations through the 1956 fiscal year? It would appear that at least \$25,000 can be removed from this contract.

As of 1 July we will renew the Contract with Fiscal Year 1957 funds in an amount sufficient to cover your operations under the Contract for the period required.

We have not as yet received from you the fully amended definitive contract to replace the letter contract. I would appreciate your ascertaining whether it has been returned to us.

Sincerely,

GEORGE
